APPLICATION

- 1.** Where and how are you currently making an impact on people from the “dark third of the world”?
- 2.** Do you have people on your street from another country? Have you met them? If not, try just taking a plate of cookies or some banana bread to them and saying you’re glad you’re neighbors. . . and see what God does!
- 3.** Could you share your American life with an international student for a few hours this year? Check out the FISH table in the atrium to learn more about this wide open opportunity, with people that God is bringing to our city and who want to meet Americans!
- 4.** Do you possess some skills that might be employable in the spiritually dark third of the world? What might prevent you from seeking a job overseas? Why is that something you should possibly look into? Meet Stan Cundiff at the DELTA Force table today to begin to explore this exciting if somewhat scary possibility.
